创意转向产业与未来的实验创新加速器

The first international academic award in industrial design in China
A platform for evaluation, promotion and cooperation of contemporary innovative design
Experimental innovation accelerator turning ideas into industry and future

缘起 ORIGIN

2014年10月“最设计”展览现场
"Design Design" Exhibition in October 2014

2014年10月“最设计”展览期间，时任浙江省省长李强与原中国美术学院院长许江提出创办国际级工业设计大奖的构想，并决定由中国美术学院主办。

2016年1月8日，时任浙江省常务副省长袁家军宣布启动。

中国设计智造大奖 (Design Intelligence Award, DIA) 是中国工业设计领域首个国际化的学院奖。

During the "Design Design" exhibition in October 2014, Li Qiang, then governor of Zhejiang Province, and Xu Jiang, then president of China Academy of Art, put forward the idea of establishing an international industrial design award and decided that it would be hosted by China Academy of Art.

On January 8, 2016, Yuan Jiajun, then executive vice governor of Zhejiang Province, announced the launch of the Award.

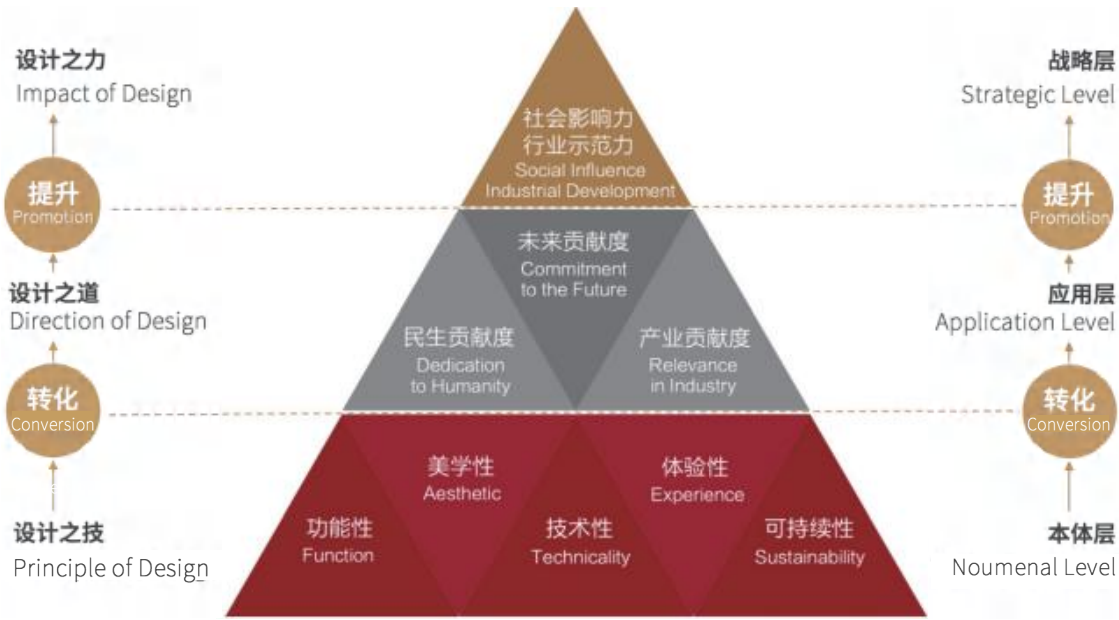

Design Intelligence Award (DIA) is the first international academy award in the field of industrial design in China.

2016年1月8日首届 DIA 启动并面向全球发布“作品征集令”
On January 8, 2016, the first DIA was launched and the "Call for Entry" was released globally

开放日对话 DIA OPEN TALK

作为 D·WILL 特别课程, DIA 设计开放日是一次设计的开放课堂,传递着 DIA 的设计使命与价值观。这不仅是一场设计行业的专家诊断,让企业管理者、创业者、设计师与设计专家面对面,就企业发展、产品战略、技术创新等问题进行专业诊断;也是一场产业对接会,众多来自金融、创投、产业园区的嘉宾,现场与企业对接,为有商业需求的参赛者提供产业支持服务。

本次设计开放日对话活动分为“文化创新、生活智慧、产业装备、数字经济”四大类别,活动现场,演讲者积极展示自我,与专家进行思想碰撞。DIA 设计开放日对话为每一位设计人才提供了创新开放的平台,让大家在虚拟世界和真实空间中不断构建自我的价值坐标,激发无限创造力,让世界倾听青年之声。

As a special course of D·WILL, DIA Design Open Day is an open classroom designed to convey the design mission and values of DIA. This is not only an expert diagnosis of the design industry, which enables enterprise managers, entrepreneurs, designers and design experts to face each other and make professional diagnosis on enterprise development, product strategy, technological innovation and other issues; It is also an industry matchmaking meeting, where many guests from finance, venture capital and industrial parks connect with enterprises on site to provide industry support services for participants with business needs.

This design open day dialogue activity is divided into four categories: "cultural innovation, life wisdom, industrial equipment and digital economy". On the activity site, the speakers actively displayed themselves and collided with experts. DIA Design Open Day Dialogue provides an innovative and open platform for every design talent, so that everyone can constantly build their own value coordinates in the virtual world and real space, stimulate unlimited creativity, and let the world listen to the voice of youth.

评审展 REVIEW EXHIBITION

2022年大奖参赛作品数量与质量再创新高，共收到来自全球44个国家和地区的8010件报名作品，经过中国主赛区及12个海外分赛区的初评评审，共有840件作品成功入围并展开激烈角逐。

13位中外评委遵循 DIA“金智塔”评价体系，通过实物评审、会议讨论两个环节，以严谨的态度综合票选后，评选出本年度的所有奖项。

The number and quality of entries in this year's DIA reached a new high. A total of 8010 entries from 44 countries and regions around the world were received. After the preliminary evaluation of China's main competition area and 12 overseas sub-divisions, 840 entries were successfully shortlisted and fiercely contested.

The 13 Chinese and foreign judges followed the DIA pyramid for design evaluation criteria and selected all the awards of the year after comprehensive voting with a rigorous attitude through the physical evaluation and meeting discussion.

设计之夜 DESIGN NIGHT

设计之夜是业界资深专家、优秀设计师、知名企业家的精英狂欢夜，聆听大咖们真知灼见的深度分享，欣赏具有跨界才华设计师的魅力展示，建立设计界高端价值链接。

Design Night is a carnival night for senior experts, outstanding designers and well-known entrepreneurs in the industry. Listen to the remarkable insights from big names, appreciate the excellent works of talented crossover designers, and establish valuable links with the design industry.

DIA 新媒体全球新青年计划

DIA DGLOBAL NEW YOUTH MEDIA PROMOTION PLAN

在中国美术学院荣获国务院新闻办2021年度“大学国际传播优秀案例”，DIA 位列其 Top1之际，由中国美术学院文创中心和设计学院学生会发起，联合国内外一流院校，提出《DIA 新媒体全球新青年计划》，这是一份面向全球设计青年开放的共享计划，也是一份来自2022年 DIA 颁奖典礼的特别邀约书。

由 DIA 发起，邀请以中国美术学院为主等周边的媒体内容创作者，借助抖音短视频、哔哩哔哩等传播平台，共同打造中国设计智造大奖社会影响力，优质作品传播力，人文价值挖掘力的话题矩阵。

DIA 新媒体新青年致力于分享好物、好设计、好理念的优质圈子，将以价值内容为核心，拓展更多类目场景，为青年等创作者提供孵化平台，给予商家企业优质设计的传播种子，为社会带来更多 DIA 的设计之力。

China Academy of Art won the "2021 International Communication Excellent Case in Universities" hosted by Information Office of The State Council, among which DIA is Top 1. "DIA Global New Youth Media Promotion Plan", initiated by Design Innovation Center of China Academy of Art and Student Union of Design School, co-hosted with first-class colleges at home and abroad, is a sharing plan for global design youth and an invitation letter from 2022 DIA Ceremony.

DIA invited media content creators, mainly from China Academy of Art and other related media, to create a matrix of social influence, dissemination of quality works, and humanistic value of the Design Intelligence Award through TikTok, Bilibili and other media platforms.

DIA New Youth Plan is committed to sharing good things, good design and good ideas in a quality circle, which will take value content as the core, expand more category scenarios, provide incubation platform for youth and other creators, give seeds of dissemination of quality design to business enterprises, and bring more design power of DIA to the society.
